An act relating to postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 347, as introduced, Rubio. Postsecondary education: graduate medical instruction.

Existing law establishes the University of California which is administered by the Regents of the University of California. The University of California is the only public postsecondary segment authorized to provide graduate instruction in medicine.

This bill would state the intent of the Legislature to enact legislation to provide more adequately funding for graduate instruction in medicine.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to provide more adequately funding for graduate
- 3 instruction in medicine.
